- **ACCOMMODATION**

If you need somewhere to stay, please let us know and we can recommend some places near by

- **TRAVEL BETWEEN SESSIONS**

You'll need transport from the dive centre to the swimming pool and open water sites.

Where we go for Open Water depends on conditions. We'll try and get in the sea locally as much as possible which will be about a 15 minute drive from the dive centre. If conditions further up the coast are more favourable, it's about a 60 minute drive.

If the sea is blown out and we're forced in land, our nearest lake is about 90 minutes drive.

- **ENTRY TO INLAND SITES**

Entry to Ellerton Water Park costs £8.00 per day

- **MEALS**

We've got a hob, toaster oven and microwave in the dive centre if that helps!

There's also Aldi, Lidl, Asda, Greggs, McDonalds and KFC close by.
